

Global Recruitment & Selection

think of us as an integrated
global recruitment asset ...

About Us

1Recruit International is an international global recruitment and human resource advisory company with a global mind set and a proven track record in talent acquisition and management on a global scale.

For 1Recruit, we have resourced across an array of executive business sectors for diverse global markets. Our corporate mission entails client satisfaction through intelligent and practical advice, a consultative approach, delivery excellence and innovation through "best fit" candidates and talent technically, behaviorally and culturally.

Across the world and locally, 1Recruit enjoys 50+ year's collective recruitment and selection experience across our highly credentialed 1Recruit team. With 20+ years Middle East and Asia expatriate experience, our offices service global markets spanning the UK, Europe, the Middle East, North Africa, Asia Pacific, the Americas and beyond.

1Recruit ... global knowledge and expertise providing talent solutions in a structured, intelligent, cost effective and timely way...
